

## **Long Distance Charges**

Some long distance companies contract with us to bill for their services. Long distance calls are itemized by the long distance company and numbered consecutively on your bill.

 $\Rightarrow$ 

## **←** Payment Return

The top section of the first page shows your name, your account number and the total amount due. Please return this portion of the bill with your payment in the return envelope provided.

## 

The bottom section of the first page is a summary of payment and billing information including recurring, non-recurring, and long distance charges, as well as applicable surcharges and taxes.

## 

On the back of the first page you will find important messages and an explanation of the monthly charges located in the summary section of the bill.
