Declares that identification of the product:

Product Description   IP PABX
Product Name/Model   iPECS UCM, iPECS Cloud
Summit, Summit100

Information of the Declaration:

We declares that the iPECS UCM / Cloud, and Summit / Summit 100 systems comply with the below requirements

This declaration is in conformity with Kari's Law.
This law applies to multi-line telephone system (MLTS), and requires MLTS systems in the United States to enable users to dial 911 directly, without having to dial a prefix to reach an outside line, and to provide for notification when a 911 call is made.

The iPECS and Summit products which stated above are in compliance with Kari's law.
The below requirements will be possible through a simple configuration in the system.
• Dial 911 directly without having to dial a prefix
• Provide for notification when a 911 call is made
